

Groundcovers

Groundcovers are very useful plants for filling spaces in the garden and reducing the need to weed and mulch.

Type	Sunlight requirements	Ornamental Features	Winter Foliage	Spacing	Plants per sq. ft.
Arctostaphylos - Bearberry	Full sun	Pink bell flowers and red berries	Evergreen	12"	1
Ajuga - Bugleweed	Sun/Shade	Nice foliage colors & purple flower spikes	None	8"	2.25
Asarum - Ginger	Shade	Glossy green foliage	Evergreen	6"	4
Cerastium - Snow in Summer	Full sun	Grey foliage, white summer flowers	none	8"	2.25
Cornus canadensis	Sun/Shade	White flowers, red fruit	Woody	10"	1.44
Euonymus colorata	Sun/shade	Green foliage, nice red fall foliage	Evergreen	10"	1.44
Euonymus kewensis	Sun/shade	Small leaves, spreads or climbs	Evergreen	6"	4
Galium - Sweet Woodruff	Shade	Glossy green foliage, small white flowers	None	8"	2.25
Hedera helix - English Ivy	Part sun/shade	Large leafy foliage, spreads or climbs	Evergreen	8"	2.25
Juniperus - Juniper	Full sun	Drought tolerant, fast growing, tough	Evergreen	24"	0.5
Lamium - Dead Nettle	Part sun	Pretty flowers and variegated foliage	None	8"	2.25
Lamiastrum - False Lamium	Part Sun	Variegated foliage, yellow flowers	None	8"	2.25
Liriope - Lily Turf	Part sun/shade	Blue summer flowers, grass like leaves	None	8"	2.25
Mazus	Sun/part sun	Low green foliage, white or purple spring flower	None	12"	1
Mircobiota	Part sun	Similar to juniper, more shade tolerant	Evergreen	24"	0.5
Pachysandra	Part shade/shade	Glossy leaves	Evergreen	6"	4
Potentilla - Cinqfoil	Full sun	Summer flowers in several colors, hardy	None	6"	4
Sagina - Moss	Part sun	Low dense foliage, white flowers late spring	None	8"	2.25
Sedum - Stonecrop	Full sun	Drought tolerant, summer/fall flowers	None	8"	2.25
Thymus - Thyme	Sun/part sun	Variety of foliage and flower colors	None	12"	1
Veronica	Sun/part sun	Low growing perennial w/ blue flowers	None	8"	2.25
Vinca - Periwinkle/Myrtle	Part sun/shade	Blue flowers, glossy leaves	Evergreen	12"	1

Spacing based on using small plants. Using larger plants would allow for greater spacing and less plants per square foot
